**Guaranteed Sale Program Summary and Disclaimer**

Thank you for the opportunity to work together in selling your home.

Our Guaranteed Sale Program creates more demand for your home. By advertising to Buyers that we can buy their homes if they buy yours\*, your home stands out above your competition as one that is easier to buy. You are also more likely to get firm offers vs. conditional ones since we are willing to guarantee the buyer's home will sell. \*

Mario Daniel Sconza & Partners © can guarantee the sale of your home if you choose to move up and buy a home listed by Mario Daniel Sconza & Partners ©, subject to certain conditions\*.

These conditions include, but are not limited to, Seller and Buyer agreeing on price, the property condition and possession date. You understand and acknowledge that the Exclusive Right to Sell Listing Agreement used to engage realty brokerage services is not an agreement guaranteeing your home will sell. There must be a written and fully executed Association of Realtors Purchase and Sale Agreement (usually at least seven pages) stipulating all terms and conditions of a sale between the Seller and Mario Daniel Sconza or his assignees as purchaser. Should an offer come in from an outside buyer at any time during this listing period and that offer is higher than the guaranteed price, the seller gets the higher offer not Sconza & Partners.\*\*

It is innovative and proven programs like this one that help us create more demand for your home and influence a sale.

Thank you.

### **Your REFERRALS HELP women and children around the world**

663 Million people in the world live without clean water. That is nearly 1 in 10 people worldwide or 20 times the population of our beautiful Canada. The majority live in isolated rural areas and spend hours every day walking to collect some semblance of potable water for their family. Access to clean water means education, income and health--especially for women and children.

### **ACCESS TO CLEAN WATER AND EDUCATION CHANGES EVERYTHING**

**We are on a mission to raise \$100,000** to help bring clean water and education facilities to those who do not have them. We are very passionate about helping the less fortunate because helping them serves God's Kingdom.

### **This is where you can help!**

**For anyone considering a move that we help, you can rest assured that not only will they secure the award winning service we are known for, just as important, a significant portion of the income we receive from the transaction will be given to fund worthy causes around the world and here locally, particularly in the realm of clean water and education.**

*We are called to help the less fortunate (Malachi 3:8-12). Strangers, widows, orphans, poor, needy and foreigners. The source of life within me is the same SOURCE within everybody and everything. I see myself in them and them in me. We are all ONE SUBSTANCE expressing itself in infinite variety. My hope is humanity will arrive at this knowledge through education and enlightenment.*

*Our Partners rally around our sincere intention of raising money and donating portions of our income in our quest to help solve the water and education crisis.*

We do track appointments and ask for feedback from every in-home showing. We make three attempts to solicit responses from realtors representing their buyer. Based on our experience, we have observed a 10% response rate to our request. We will be in touch a minimum of once per week, updating you on feedback responses, and results of our marketing activities. For those realtors that do respond, what I respectfully request is your permission to share with you exactly what they are saying about your home without filtering it, would that be ok with you?

Within 72 hours of your endorsement of our services we create top of mind awareness leveraging multiple media channels in numerous languages to create maximum worldwide exposure which ultimately brings you the highest price.

Within one business day our director of home preparation will be contacting you to arrange an appointment for preparing your home to sell. In addition to that we will be ordering the sign for your lawn.

At that visit we will confirm:

- the day photography will be completed
- availability for showings

On the day of photography, the lockbox will be delivered, do you require us to cut an extra key for you or do you have an additional set that can be placed in the lockbox?

We will also be preparing a full property brochure inclusive of a QR code that will direct you to the property website, and we will be delivering that prior to the listing date.

All photos received from the date of photography will be shared with you within 24 hours of receiving them from the photographer.

When we help you reach your desired outcome will you consider recommending our services and providing us with a five star google review, if we have earned it? Who do you know that we should start a conversation with about real estate?
